Shinyanga: On our way to the baptism

Baptism site in Shinyanga: 56 Baptized in the name of Jesus Christ for the remission of their sins.

These are not numbers, but lives that are changed, souls that are saved, and people that will be walking with us when we trade these dirt roads for streets of gold.

Sister Brandi Young shared it well as inspiration from Brother Adams: There are 390,280,866 reasons to say yes, 390,280,866 reasons to pray, 390,280,866 reasons to seek God's will, 390,280,866 reasons to fast, 390,280,866 reasons to **be brave**, 390,280,866 reasons to **be bold**, 390,280,866 reasons to **answer the call**, 390,280,866 reasons to **GO** in East Africa alone.

This is our why.

We are here Lord, we are willing, we are "ready."
