

New Zealand

Next Step 2019. First month

Michael Ross

A little info of New Zealand: There are 4.6million people living here in the South Pacific.majority of New Zealand's population is of European descent (74 percent), with the indigenous Māori being the largest minority (14.9 percent), followed by Asians (11.8 percent) and non-Māori Pacific Islanders (7.4 percent).

Sitting in class the first week. Learning how to serve the missionaries

While in Tauranga we had finished up praying/singing and the clouds parted and there appeared a large Rainbow

Youth Convention in Auckland

Sunday morning Service in Hamilton, the town we are based out of.
