

# NEW ZEALAND

## EVERY INHABITED ISLE

PACIFIC REGION

Cheyann Stratton | Next Steps Program 2019

New Zealand is located in the Pacific Region, which covers 63 million sq. miles as a whole. Throughout the whole region, there are only 7 missionaries; that's over 450 million souls, 29 nations, and thousands of islands, and only 1.4 million constituents.

To put into perspective: every one single person would have to win 330 souls. Not only New Zealand but our world is hungry! The need for Jesus and His kingdom is unlike ever before! We must follow His Word, and go forth being laborers!!

### ~WE~ GRADUATED

The Next Steps team, after being here for 3 weeks, completed over 70 hours of training and received a certificate!!

### NEXT STEPS WITH THE ADDINGTON'S

Bro. Addington had been a missionary to NZ for many years and recently he was diagnosed with cancer. We are believing for a miracle in Jesus name!!

### MY FEARLESS LEADERS AND I

Forever thankful for the Godly example they set for me!

## BLESSINGS & PROMISES OF GOD

### He is a promise- keeper!

We are believing in revival for New Zealand and the Pacific Region!! He will send LABORERS!

### Everything is for HIS glory!

We were not made to come and enjoy ourselves, but to answer HIS call, and praise Him for all He's done!

### Go deeper!

The call is not to go, and do! But the call is to go deeper in His Word and your relationship with Him. This is one thing I've truly learned!

Remember Your Why!

Remember why  
God called You!  
You are worthy of  
Your call, act like it!
