

ΓΕΙΑΪ ΣΟΥ FROM ATHENS

Γειά σου (Geiá sou) means hello in Greek!

On-Site Training

Most of our first 2 1/2 weeks were spent in courses where we completed over 70 hours of training. Each of these were so impactful and every instructor was so passionate about missions and preparing the future generation. I left training feeling equipped, empowered and truly confident in the calling God has placed on my life.

Praise Reports

- During VBS we had 12 children receive the Holy Ghost!
- On Pentecost Sunday we had 3 more children receive the Holy Ghost and 2 were baptized!
- Sunday, June 16, we had a man baptized in Jesus name!

Thank you Jesus for these souls! I cant wait to spend eternity with them!

Mars Hill

On June 16th, we had a sunset worship service on Mars Hill, with singing and small devotions and prayer for the city of Athens. There was a large crowd that got to be a witness and feel the presence of the Lord. Two girls approached some of our group and asked how they could find a church in their country.

This past month in Greece will be something I'll never forget. The Moreno's welcomed us with open arms and allowed us to pour into this beautiful city. There will be a great revival here and I cannot wait for the praise reports from the seeds that were planted.
