OVERVIEW

Kalimera! For the past 3 weeks in Greece, our Next Steps group has been attending daily classes, visiting Biblical sites, reaching the Athens community, and participating in church services and events. We have been blessed to work with our host missionaries, the Moreno family, as well as become part of the Global Missions tribe!

MISSIONARY TRAINING

We completed 2.5 weeks of missionary training that focused on servant hood, spiritual authority, contextualization, and other crucial topics that have broken us to be vessels of glory for God. Our group was blessed to hear stories from various missionaries and lessons from experienced instructors.

MOST IMPACTFUL EXPERIENCES

YOUTH NIGHT

We organized a sports and pizza night for the Crossroads youth. It was a great time of fellowship that allowed us to bond with the youth, but it also served as an outreach opportunity as well as a beautiful time of worship and encouragement.

WORSHIP AT MARS HILL

We spent Father's Day evening worshipping God atop of Mars Hill where Paul preached to the philosophers in Acts 17, and also sharing encouragement with each other. Through this time of worship, God opened opportunities for us to connect with and evangelize to people sitting around us.
