Greece

Reverend Marley Lester

I arrived here in Athens, Greece on June 1, along with many other fellow laborers in the Lord. We have been quite busy since our arrival and are all so excited to be apart of what God is doing in Athens!

For the first three weeks we were in classes learning all about missions. The classes taught us a lot about spiritual warfare, finances, missionary life, and much more. My personal favorite was the four classes taught by Reverend Allan Shalm on Spiritual Warfare.

Additionally, we were involved with the church in Athens which included music, preaching or teaching, media, and much more. We had many mighty moves of the Holy Ghost both in our classes and in church services!

Immediately after the completion of our classes, we transformed the sanctuary for Vacation Bible School. This year's theme was Galactic Starveyors. For the next three days we were doing all things V.B.S. from songs, crafts, teaching, and games; it was all hands on deck. We had about 58-60 kids in attendance with 15 receiving the Holy Ghost!

A lot of hard work went into V.B.S. Some days we were all wore out but there was nothing like seeing those precious children being filled with the gift of the Holy Ghost.

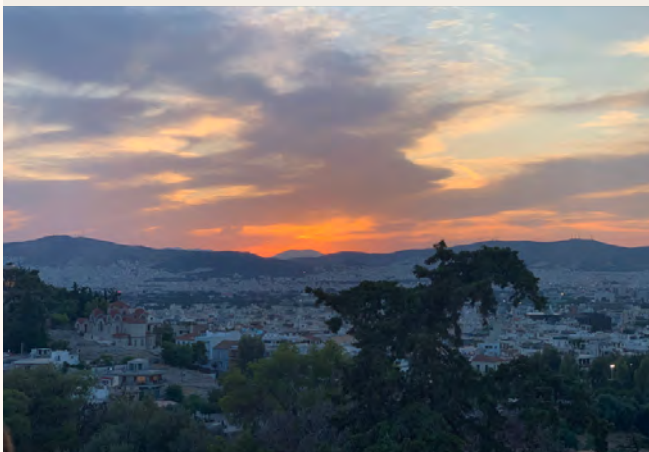

I have grown so much in these past 4 weeks. I am incredibly grateful and humbled to be apart of this. Everything that God has done in my life has been beyond what I could ever dream, ask, or imagine. So, for everything that has happened here in Greece, all I can say is to God be the Glory!

TRAINING

This is a picture from week two when the power of God swept into the class as a representative taught us about spiritual warfare.

MARS HILL

We gathered on Mars Hill one night for worship. We enjoyed the beautiful scenery but more than that, the beautiful presence of the Lord.
