YOUTH SPORTS NIGHT

WHAT WE'VE BEEN UP TO

For the past two and a half weeks, our Next Steps group has been in classes at the Crossroads church in Athens, Greece. The typical day is 9 AM - 4 PM classes revolving around: Identity, ministry, missions work, UPCI doctrine and history. These classes are prayer-centric and intensive, actively building character. I truly am not the same.

In addition to the Next Step courses, our group has been actively involved in putting on Youth events, Sunday service ministries, as well as the local VBS. We put on a sunset worship evening at Mars Hill as well as a couple of excursions visiting the nearby locations where Apostle Paul lived and spread the gospel.

DAILY CLASSES

WHAT IS TO COME

With our courses coming to a close here in Greece, we will begin our month long apprenticeship, moving to Madrid, Spain. The missionaries have expressed that there will be many opportunities to help and get involved with ministry.

Please keep our group in your prayers as we move into a new location and readjust.
