Training and classes

We hit the ground running when we got to Greece. The first couple of weeks were filled with classes from amazing representatives and teachers. We learned about working in different countries, how to deal with culture shock, and tips on prayer and ministering. These classes taught us practical practices for career ministry and planted deep spiritual disciplines. I learned to take authority in the spirit and how to allow God to work through me. These classes were life-changing for me. We had our classes in the sanctuary of Crossroads UPCI where we also helped with different needs during our training.

Seeing the Sights

THE SPIRITUAL CONDITION OF GRECE.

Greece is full of significant religious sights. There are ruins of old temples dedicated to gods and goddesses from the Greek pantheon, as well as biblical sites where Paul preached and lived.

The people in Greece are largely Greek Orthodox. There is such a strong tradition surrounding this belief system that it is said, "If you are not Orthodox; you are not Greek." Greek Orthodox is a sect of Catholicism and they believe that they are the original Christians that Paul converted.

Please pray for a love of truth rather than a love of tradition for the Greek people, and revival throughout the country.

Outreach on Mars Hill

We went to Mars Hill as a group and sang worship songs and did devotionals as the sun went down. Many locals and tourists were there to site-see and were touched by what we were doing. We were able to speak into several people's lives and invite them to church while also learning their stories. God worked in a beautiful way during the outreach event.

V.B.S 2024

15 CHILDREN RECEIVED THE HOLY GHOST

We had 3 full days of VBS with 60 children from the Athens area. For many of the kids, this was their first time being in a Pentecostal church. we spent the weekend teaching them scriptures, songs, and bible lessons. God filled 15 children with the Holy Ghost. This was a significant time in my personal ministry as I prayed someone through for the first time during these services. I've been praying about it for a long time because it is a sign that I am growing in my ministry. God is so good!
