

## NextSteps 2024 Mediterranean

The first 3 weeks we had training classes about spiritual warfare, finances, altar working, and so much more!

The classes were one of my favorite things we did because I learned a lot from what they taught and there was powerful moves of God in the middle of the classes.

We got the opportunity to help during VBS and I worked as a crew leader. There was a lot of activities for the kids such as games, action songs, crafts, and more. There was 62 kids total in attendance and 12 received the gift of the Holy Ghost for the first time!

We Had a worship night with the Crossroads youth on Mars hill where Paul preached! We sang some songs and had some short devotions and while we were doing this there were people in our surroundings watching us and listening to what we were saying/singing. After we were done a group of us went out to eat and 2 girls came to find us to ask what church we go to!

I had the opportunity to go to the Spanish work and help out for their services! They have life group on Thursdays and so I went a couple times and I was able to share my testimony and a devotion with them!
